

We have consumed our body weight in wine several times over to find wines that complement our food and reflect our values. We endeavour to source all our food locally and in writing our wine list we have tried to represent wineries that share our ideals and values. We hope you enjoy them as much as we do.

# FAMILY & FRIENDS

As a family run business we support the idea of like minded wineries. Our Rioja is from a father and son team; Roberto, the winemaker, has visited us here at the Driftwood.

Laurent Miquel lives and works in the South of France but is very familiar with the British way of life, having met his Irish wife in a Leeds nightclub. Oh, and his wines are fantastic too.

The Australian Wine Families is a new initiative to champion the regional and premium Australian wines including famous wineries such as De Bortoli and Brown Brothers.

Filipe Fernandes from Casa do Lago winery in Portugal has spent time in Cornwall promoting his modern Portuguese wines and hopes to return soon.

The Devil's Corner wines from Tamar Ridge in Tasmania give a tenuous link to the Cornish Connections around the globe!

# LOCALLY PRODUCED WINES

Cornwall is not the most obvious place to grow wine. However, the warming gulf stream, and longer sunshine hours per day has allowed local wineries to make some really interesting wines. However, nature determines production and these boutique wineries have very limited supply. Camel Valley Vineyard – located half an hour from here at Nanstallon near Bodmin is the award winning winery of Camel Valley. Run by father and son team, Bob and Sam Lindo, their wines are being recognised on a national scale and are well worth a try. Sharpham Vineyard – situated just over the Tamar in Devon is the successfully run winery of Sharpham. We list their Dart Valley Reserve which is a fantastic wine, dry and very fruity and floral.

*Please ask what we have available.*

# FAVOURITES

There are certain wines that one hopes to find on all good wine lists. They offer familiarity, quality, great food matches, nostalgia and new discoveries. We have put together a list of our favourites but if there is something you think is missing let us know and we'll endeavour to have it on there in time for your next visit.

# CHAMPAGNE & SPARKLING

Sparkling wines are fantastic for any occasion or no occasion and offer a tantalising alternative to a still wine. We have two fun sparklers based on Pinot Grigio, one white, one rosé. Also from Italy, a divinely sweet and low alcohol Asti – the perfect accompaniment to wedding cake.

Crémant de Loire is France's regional answer to Champagne, made in the same method for half the price.

And lastly, of course, our own award winning bubbly from Camel Valley Vineyard. For delicious Champagne try De Castelnau, less known than the big brands but good enough for the Ritz Hotel so good enough for us! It is owned by the growers of the champagne grapes so they have total control over the quality of the wine.

## AFTER DINNER DRINKS

Ports, cognacs, whiskies, digestifs – we have them all and are happy to recommend, so please don't hesitate to ask. Our forte is in our wide range of whiskies that have become something of a collection at the Driftwood. We have a separate spirits list if you would like to see our full range.

## SPECIAL OFFERS

Occasionally we are able to get our hands on small parcels of wine at extraordinary prices that we are delighted to put on our list as a special offer. We also have some bin end wines available but they're always changing so don't wait for a special occasion. When they're gone they're gone so seize the opportunity while you can and enjoy!
